Every Breath You Take

**Every breath you take
And every move you make
Every bond you break
Every step you take
I'll be watching you**

**Every single day
And every word you say
Every game you play
Every night you stay
I'll be watching you**

**Oh, can't you see
You belong to me?
How my poor heart aches
With every step you take?**

**Every move you make
And every vow you break
Every smile you fake
Every claim you stake
I'll be watching you**

**Since you've gone, I've been lost without a trace
I dream at night, I can only see your face
I look around, but it's you I can't replace
I feel so cold, and I long for your embrace
I keep crying baby, baby please**

**Oh, can't you see
You belong to me?
How my poor heart aches
With every step you take?**

**Every move you make
And every vow you break
Every smile you fake
Every claim you stake
I'll be watching you
Every move you make**

**Every step you take
I'll be watching you**

**I'll be watching you

Stuck in the Middle with You

Well I don't know why I came here tonight
I've got the feeling that something ain't right
I'm so scared in case I fall off my chair
And I'm wondering how I'll get down the stairs

Clowns to the left of me
Jokers to the right
Here I am stuck in the middle with you

Yes I'm stuck in the middle with you
And I'm wondering what it is I should do
It's so hard to keep this smile from my face
Losing control, yeah I'm all over the place

Clowns to the left of me
Jokers to the right
Here I am stuck in the middle with you
When you started off with nothing
And you're proud that you're a self-made man
And your friends they all come crawling
Slap you on the back and say
Please
Please

Trying to make some sense of it all
But I can see it makes no sense at all
Is it cool to go to sleep on the floor?
'Cause I don't think that I can take anymore

Clowns to the left of me
Jokers to the right
Here I am stuck in the middle with you
When you started off with nothing
And you're proud that you're a self-made man
And your friends they all come crawling
Slap you on the back and say
Please
Please

**Well I don't know why I came here tonight
I've got the feeling that something ain't right
I'm so scared in case I fall off my chair
And I'm wondering how I'll get down the stairs**

**Clowns to the left of me
Jokers to the right
Here I am stuck in the middle with you**

**Yes I'm stuck in the middle with you
Stuck in the middle with you
Here I am, stuck in the middle with you**

You Can't Hurry Love

I need love, love to ease my mind
I need to find, find someone to call mine
But mama said you can't hurry love
No you just have to wait
She said love don't come easy
It's a game of give and take
You can't hurry love
No, you just have to wait
You gotta trust, give it time
No matter how long it takes
But how many heartaches must I stand
Before I find a love to let me live again
Right now the only thing that keeps me hanging on
When I feel my strength, yeah, it's almost gone
I remember mama said

No, you just have to wait
She said love don't come easy
It's a game of give and take
How long must I wait? How much more can I take?
Before loneliness will 'cause my heart, heart to break
No, I can't bear to live my life alone
I grow impatient for a love to call my own
But when I feel that I, I can't go on
These precious words keeps me hanging on
I remember mama said

No, you just have to wait
She said love don't come easy
It's a game of give and take

You can't hurry love
No, you just have to wait
She said trust, give it time
No matter how long it takes (gotta wait)

No love, love don't come easy
But I keep on waiting, anticipating for that
Soft voice to talk to me at night
For some tender arms to hold me tight

**I keep waiting, I keep on waiting (give and take)
But it ain't easy, it ain't easy when mama said**

**You can't hurry love
No, you just have to wait
She said trust, give it time
No matter how long it takes**

**You can't hurry love
No, you just have to wait
She said love don't come easy
It's a game of give and take
You can't hurry love
No, you just have to wait
Mama said just give it time**

If You Don't Know Me by Now

**Sing the song, everybody
C'mon**

**If you don't know me by now (wunderbar)
You will never, never, never know me
Oooh**

**Now all the things
That we've been through
You should understand me
Like I understand you**

**Now girl I know the difference
Between right and wrong
I ain't gonna do nothing
To upset our happy home**

**Don't get so excited
When I come home
A little late at night
You know we only act like children
When we argue fuss and fight**

**If you don't know me, baby
(You will never never never know me)
No, you won't (oooh)
Oooh, yeah, c'mon**

**Oh, if you don't know me, girl
(You will never never never know me)
You... (Uuuh)**

**We've all got
Our own funny moods
I've got mine
I bet you woman you've got yours too
You better trust in me like I trust in you
As long as we've been together
It should be so easy to do
Just get yourself together
Or we might as well say goodbye**

**What good is a love affair
When you can't see eye to eye**

**If you don't know me, baby
(You will never never never know me)**

**No, you won't (Oooh)
No, you won't, no, you won't, no, you won't**

**Twenty long years we've been together
(You will never never never know me)
(Ooohh) ooh ooh-oooh oh**

**Well...
Oooh (You will never never never know me)
No, you won't (oooh)**

I Say A Little Prayer

**The moment I wake up
Before I put on my makeup
I say a little prayer for you
While combing my hair, now,
And wondering what dress to wear, now,
I say a little prayer for you**

**Forever, and ever,
(You'll stay in my heart and I will love you)
(Forever) Forever, and ever,
(We never will part Oh, how I love you)
(Together) Together, forever,
(That's how it must be to live without you)
Would only mean heartbreak for me, ooh**

**I run for the bus, dear,
While riding I think of us, dear,
I say a little prayer for you
At work I just take time
And all through my coffee break-time,
I say a little prayer for you**

**Forever, and ever,
(You'll stay in my heart and I will love you)
(Forever) Forever, and ever,
(We never will part Oh, how I love you)
(Together) Together, forever,
(That's how it must be To live without you)
Would only mean heartbreak for me**

**My darling, believe me
For me there is no one but you
Please love me too
Answer my prayer
Answer my prayer now babe, oh-oh**

**Forever, and ever, ever
(You'll stay in my heart and I will love you)
(Forever) Forever, and ever,
(We never will part Oh, how I love you)
(Together) Together, forever,**

**(That's how it must be to live without you)
Would only mean heartbreak for me, nobody but me**

**My darling, believe me
For me there is no one but you
Please love me too
Answer my prayer
Answer my prayer now babe
Say you love me too
Answer it right now babe
Answer my prayer**

Eternal Flame

Close your eyes, give me your hand, darling
Do you feel my heart beating?
Do you understand? Do you feel the same?
Am I only dreaming?
Is this burning an eternal flame?

I believe it's meant to be, darling
I watch you when you are sleeping
You belong with me
Do you feel the same? Am I only dreaming?
Or is this burning (burning) an eternal flame?

Say my name
Sun shines through the rain
A whole life so lonely
And then come and ease the pain
I don't want to lose this feeling, oh

Say my name
Sun shines through the rain
A whole life so lonely
And then come and ease the pain
I don't want to lose this feeling, oh

Close your eyes, give me your hand
Do you feel my heart beating?
Do you understand? Do you feel the same?
Am I only dreaming?
Or is this burning an eternal flame?

Close your eyes, give me your hand, darling
Do you feel my heart beating?

Am I only dreaming?
Is this burning an eternal flame?
Close your eyes, give me your hand...**

My Baby Just Cares For Me

**My baby don't care for shows
My baby don't care for clothes
My baby just cares for me
My baby don't care for cars and races
My baby don't care for high-tone places**

**Liz Taylor is not his style
And even Lana Turner's smile
Is somethin' he can't see
My baby don't care who knows
My baby just cares for me**

**Baby, my baby don't care for shows
And he don't even care for clothes
He cares for me
My baby don't care
For cars and races
Baby don't care for
He don't care for high-tone places**

**Liz Taylor is not his style
And even Liberace's smile
Is something he can't see
Is something he can't see
I wonder what's wrong with baby
My baby just cares for
My baby just cares for
My baby just cares for me**

Natural Woman

**Looking out on the morning rain
I used to feel so uninspired
And when I knew I had to face another day
Lord, it made me feel so tired
Before the day I met you, life was so unkind
But you're the key to my peace of mind**

**'Cause you make me feel
You make me feel
You make me feel like a natural woman (woman)**

**When my soul was in the lost and found
You came along to claim it
I didn't know just what was wrong with me
'Til your kiss helped me name it
Now I'm no longer doubtful, of what I'm living for
And if I make you happy I don't need to do more**

**'Cause you make me feel
You make me feel
You make me feel like a natural woman (woman)**

**Oh, baby, what you've done to me (what you've done to me)
You make me feel so good inside (good inside)
And I just want to be (want to be)
Close to you, you make me feel so alive**

**You make me feel
You make me feel
You make me feel like a natural woman (woman)**

**You make me feel
You make me feel
You make me feel like a natural woman (woman)**

**You make me feel
You make me feel**

Living On a Prayer

Once upon a time not so long ago

Tommy used to work on the docks, union's been on strike

He's down on his luck, it's tough, so tough

Gina works the diner all day working for her man

She brings home her pay, for love, for love

She says, we've got to hold on to what we've got

It doesn't make a difference if we make it or not

We've got each other and that's a lot for love

We'll give it a shot

Woah, we're half way there

Woah, livin' on a prayer

Take my hand, we'll make it I swear

Woah, livin' on a prayer

Tommy's got his six-string in hock

Now he's holding in what he used to make it talk

So tough, it's tough

Gina dreams of running away

When she cries in the night, Tommy whispers

Baby, it's okay, someday

We've got to hold on to what we've got

It doesn't make a difference if we make it or not

We've got each other and that's a lot for love

We'll give it a shot

Woah, we're half way there

Woah, livin' on a prayer

Take my hand, we'll make it I swear

Woah, livin' on a prayer

Livin' on a prayer

Oh, we've got to hold on, ready or not

You live for the fight when it's all that you've got

Woah, we're half way there

Woah, livin' on a prayer

Take my hand, we'll make it I swear

Woah, livin' on a prayer

**Woah, we're half way there
Woah, livin' on a prayer
Take my hand, we'll make it I swear
Woah, livin' on a prayer**

**Woah, we're half way there
Woah, livin' on a prayer
Take my hand, we'll make it I swear
Woah, livin' on a prayer**

Valerie - Steve Winwood

**So wild, standing there
With her hands in her hair
I can't help remember
Just where she touched me**

**There's still no face
Here in her place
So cool, she was like
Jazz on a Summer's day
Music, high and sweet
Then she just blew away**

**Now she can't be that warm
With the wind in her arms**

**Valerie, call on me
Call on me, Valerie
Come and see me
I'm the same boy I used to be**

**Love songs fill the night
But they don't tell it all
Not how lovers cry out
Just like they're dying**

**Her cries hang there
In time, somewhere**

**Someday, some good wind
May blow her back to me
Some night I may hear
Her like she used to be**

**No it can't be that warm
With the wind in her arms**

**Valerie, call on me
Call on me, Valerie
Come and see me
I'm the same boy I used to be**

**So cool, she was like
Jazz on a Summer's day**

**Music, high and sweet
Then she just blew away**

**Now she can't be that warm
With the wind in your arms**

**Valerie, call on me
Call on me, Valerie
Come and see me
I'm the same boy I used to be
I'm the same boy I used to be**

Nobody Does It Better

**Nobody does it better
Makes me feel sad for the rest
Nobody does it half as good as you
Baby, you're the best**

**I wasn't lookin' but somehow you found me
It tried to hide from your love light
But like heaven above me
The spy who loved me
Is keepin' all my secrets safe tonight**

**And nobody does it better
Though sometimes I wish someone could
Nobody does it quite the way you do
Why'd you have to be so good?**

**The way that you hold me
Whenever you hold me
There's some kind of magic inside you
That keeps me from runnin'
But just keep it comin'
How'd you learn to do the things you do?**

**Oh, and nobody does it better
Makes me feel sad for the rest
Nobody does it half as good as you
Baby, baby, darlin', you're the best**

**Baby you're the best
Darlin', you're the best
Baby you're the best**

Oh, oh, oh...

Don't Look Back in Anger

**Slip inside the eye of your mind
Don't you know you might find
A better place to play
You said that you'd never been
But all the things that you've seen
Slowly fade away**

**So I start a revolution from my bed
'Cause you said the brains I had went to my head
Step outside, summertime's in bloom
Stand up beside the fireplace
Take that look from off your face
You ain't ever gonna burn my heart out**

**And so Sally can wait
She knows it's too late
As we're walking on by
Her soul slides away
But don't look back in anger
I heard you say**

**Take me to the place where you go
Where nobody knows
If it's night or day
But please don't put your life in the hands
Of a rock and roll band
Who'll throw it all away**

**I'm gonna start a revolution from my bed
'Cause you said the brains I had went to my head
Step outside 'cause summertime's in bloom
Stand up beside the fireplace
Take that look from off your face
'Cause you ain't ever gonna burn my heart out**

**And so Sally can wait
She knows it's too late
As she's walking on by
My soul slides away
But don't look back in anger
I heard you say**

**So Sally can wait
She knows it's too late
As we're walking on by
Her soul slides away
But don't look back in anger
I heard you say**

**So Sally can wait
She knows it's too late
As she's walking on by
My soul slides away
But don't look back in anger
Don't look back in anger
I heard you say
At least not today**

Maggie May

Wake up, Maggie, I think I got somethin' to say to you
It's late September and I really should be back at school
I know I keep you amused, but I feel I'm being used
Oh, Maggie, I couldn't have tried any more

You led me away from home
Just to save you from being alone
You stole my heart and that's what really hurts

The mornin' sun when it's in your face really shows your age
But that don't worry me none, in my eyes, you're everything
I laughed at all of your jokes, my love, you didn't need to coax
Oh, Maggie, I couldn't have tried any more

You led me away from home
Just to save you from being alone
You stole my soul, and that's a pain I can do without

All I needed was a friend to lend a guiding hand
But you turned into a lover, and mother, what a lover, you wore me out
All you did was wreck my bed, and in the morning, kick me in the head
Oh, Maggie, I couldn't have tried any more

You led me away from home
'Cause you didn't wanna be alone
You stole my heart, I couldn't leave you if I tried

I suppose I could collect my books and get on back to school
Or steal my daddy's cue and make a living out of playin' pool
Or find myself a rock and roll band that needs a helpin' hand
Oh, Maggie, I wished I'd never seen your face

You made a first-class fool out of me
But I'm as blind as a fool can be
You stole my heart, but I love you anyway

Maggie, I wished I'd never seen your face
I'll get on back home one of these days
Ooh, ooh, ooh
