## Torn

I thought I saw a man brought to life  
He was warm, he came around like he was dignified  
He showed me what it was to cry

Well you couldn't be that man that I adored  
You don't seem to know, or seem to care what your heart is for  
I don't know him anymore  
There's nothin' where he used to lie  
Our conversation has run dry  
That's what's goin' on  
Nothing's fine, I'm torn

I'm all out of faith, this is how I feel  
I'm cold and I am shamed  
Lying naked on the floor  
Illusion never changed  
Into something real  
I'm wide awake and I can see the perfect sky is torn  
You're a little late  
I'm already torn

So I guess the fortune teller's right  
Should have seen just what was there and not some holy light  
But you crawled beneath my veins and now  
I don't care, I have no luck  
I don't miss it all that much  
There's just so many things  
That I can't touch, I'm torn

I'm all out of faith, this is how I feel  
I'm cold and I am shamed  
Lying naked on the floor  
Illusion never changed  
Into something real  
I'm wide awake and I can see the perfect sky is torn  
You're a little late  
I'm already torn

## Torn

There's nothing where he used to lie  
My inspiration has run dry

**That's what's goin' on  
Nothing's right, I'm torn**

**I'm all out of faith  
This is how I feel  
I'm cold and I am shamed  
Lying naked on the floor  
Illusion never changed  
Into something real  
I'm wide awake and I can see the perfect sky is torn**

**I'm all out of faith  
This is how I feel  
I'm cold and I am ashamed  
Bound and broken on the floor  
You're a little late  
I'm already torn**

**Torn**

**Oh**

**Oh yeah, oh yeah  
Oh yeah, oh yeah**

## Complicated – Avril Lavigne

Uh huh, life's like this  
Uh huh, uh huh, that's the way it is  
'Cause life's like this  
Uh huh, uh huh, that's the way it is  
Chill out, what ya yellin' for?  
Lay back, it's all been done before  
And if, you could only let it be, you will see  
I like you the way you are  
When we're driving in your car  
And you're talking to me one on one, but you become

Somebody else  
'Round everyone else  
You're watching your back  
Like you can't relax  
You try to be cool  
You look like a fool to me  
Tell me

Why'd you have to go and make things so complicated?  
I see the way you're acting like you're somebody else  
Gets me frustrated  
Life's like this, you  
And you fall, and you crawl, and you break  
And you take what you get, and you turn it into  
Honesty and promise me I'm never gonna find you faking  
No, no, no

You come over unannounced  
Dressed up like you're somethin' else  
Where you are and where it's at you see  
You're making me  
Laugh out when you strike your pose  
Take off all your preppy clothes  
You know you're not fooling anyone  
When you become

Somebody else  
'Round everyone else

**You're watching your back  
Like you can't relax  
You try to be cool  
You look like a fool to me  
Tell me**

**Why'd you have to go and make things so complicated?  
I see the way you're acting like you're somebody else  
Gets me frustrated  
Life's like this, you  
And you fall, and you crawl, and you break  
And you take what you get, and you turn it into  
Honesty and promise me I'm never gonna find you faking  
No, no, no  
No, no, no  
No, no, no  
No, no, no  
No, no, no (no, no)**

**Chill out, what ya yellin' for?  
Lay back, it's all been done before  
And if you could only let it be  
You will see**

**Somebody else  
'Round everyone else  
You're watching your back  
Like you can't relax  
You try to be cool  
You look like a fool to me  
Tell me**

**Why'd you have to go and make things so complicated?

## Little Lies

If I could turn the page  
In time, then I'd rearrange just a day or two  
Close my,  
Close my,  
Close my eyes

But I couldn't find a way  
So I'll settle for one day to believe in you  
Tell me,  
Tell me,  
Tell me lies

Tell me lies  
Tell me sweet little lies  
(Tell me lies, tell me, tell me lies)  
Oh no, no you can't disguise  
Tell me lies  
Tell me sweet little lies

Although I'm not making plans  
I hope that you understand there's a reason why  
Close your,  
Close your,  
Close your eyes

No more broken hearts  
We're better off apart  
Let's give it a try  
Tell me,  
Tell me,  
Tell me lies

Tell me lies  
Tell me sweet little lies  
(Tell me, tell me, tell me lies)  
Oh no, no you can't disguise  
(You can't disguise, no you can't disguise)  
Tell me lies  
Tell me sweet little lies

If I could turn the page  
In time then I'd rearrange just a day or two

**Close my,  
Close my,  
Close my eyes**

**But I couldn't find a way  
So I'll settle for one day to believe in you**

**Tell me,  
Tell me,  
Tell me lies**

**Tell me lies  
Tell me sweet little lies  
(Tell me, tell me, tell me lies)  
Oh no, no you can't disguise  
(You can't disguise, no you can't disguise)**

**Tell me lies  
Tell me sweet little lies  
(Tell me, tell me, tell me lies)  
Oh no, no you can't disguise  
(You can't disguise, no you can't disguise)**

**Tell me lies  
Tell me sweet little lies  
(Tell me, tell me, tell me lies)**

## Eternal Flame

Close your eyes, give me your hand, darling  
Do you feel my heart beating?  
Do you understand? Do you feel the same?  
Am I only dreaming?  
Is this burning an eternal flame?  
  
I believe it's meant to be, darling  
I watch you when you are sleeping  
You belong with me  
Do you feel the same? Am I only dreaming?  
Or is this burning (burning) an eternal flame?

Say my name  
Sun shines through the rain  
A whole life so lonely  
And then come and ease the pain  
I don't want to lose this feeling, oh

Say my name  
Sun shines through the rain  
A whole life so lonely  
And then come and ease the pain  
I don't want to lose this feeling, oh

Close your eyes, give me your hand  
Do you feel my heart beating?  
Do you understand? Do you feel the same?  
Am I only dreaming?  
Or is this burning an eternal flame?

Close your eyes, give me your hand, darling  
Do you feel my heart beating?  
Do you understand? Do you feel the same?  
Am I only dreaming?  
Is this burning an eternal flame?

Close your eyes, give me your hand, darling  
Do you feel my heart beating?  
Do you understand? Do you feel the same?  
Am I only dreaming?  
Oh (an eternal flame)

**Close your eyes, give me your hand, darling  
Do you feel my heart beating?  
Do you understand? Do you feel the same?  
Am I only dreaming?  
Is this burning an eternal flame?  
Close your eyes, give me your hand...**

## Living On a Prayer

Once upon a time not so long ago

Tommy used to work on the docks, union's been on strike

He's down on his luck, it's tough, so tough

Gina works the diner all day working for her man

She brings home her pay, for love, for love

She says, we've got to hold on to what we've got

It doesn't make a difference if we make it or not

We've got each other and that's a lot for love

We'll give it a shot

Woah, we're half way there

Woah, livin' on a prayer

Take my hand, we'll make it I swear

Woah, livin' on a prayer

Tommy's got his six-string in hock

Now he's holding in what he used to make it talk

So tough, it's tough

Gina dreams of running away

When she cries in the night, Tommy whispers

Baby, it's okay, someday

We've got to hold on to what we've got

It doesn't make a difference if we make it or not

We've got each other and that's a lot for love

We'll give it a shot

Woah, we're half way there

Woah, livin' on a prayer

Take my hand, we'll make it I swear

Woah, livin' on a prayer

Livin' on a prayer

Oh, we've got to hold on, ready or not

You live for the fight when it's all that you've got

Woah, we're half way there

Woah, livin' on a prayer

Take my hand, we'll make it I swear

Woah, livin' on a prayer

**Woah, we're half way there**  
**Woah, livin' on a prayer**  
**Take my hand, we'll make it I swear**  
**Woah, livin' on a prayer**

**Woah, we're half way there**  
**Woah, livin' on a prayer**  
**Take my hand, we'll make it I swear**  
**Woah, livin' on a prayer**

## **I Say A Little Prayer**

**The moment I wake up  
Before I put on my makeup  
I say a little prayer for you  
While combing my hair, now,  
And wondering what dress to wear, now,  
I say a little prayer for you**

**Forever, and ever,  
(You'll stay in my heart and I will love you)  
(Forever) Forever, and ever,  
(We never will part Oh, how I love you)  
(Together) Together, forever,  
(That's how it must be to live without you)  
Would only mean heartbreak for me, ooh**

**I run for the bus, dear,  
While riding I think of us, dear,  
I say a little prayer for you  
At work I just take time  
And all through my coffee break-time,  
I say a little prayer for you**

**Forever, and ever,  
(You'll stay in my heart and I will love you)  
(Forever) Forever, and ever,  
(We never will part Oh, how I love you)  
(Together) Together, forever,  
(That's how it must be To live without you)  
Would only mean heartbreak for me**

**My darling, believe me  
For me there is no one but you  
Please love me too  
Answer my prayer  
Answer my prayer now babe, oh-oh**

**Forever, and ever, ever  
(You'll stay in my heart and I will love you)  
(Forever) Forever, and ever,  
(We never will part Oh, how I love you)  
(Together) Together, forever,**

**(That's how it must be to live without you)  
Would only mean heartbreak for me, nobody but me**

**My darling, believe me  
For me there is no one but you  
Please love me too  
Answer my prayer  
Answer my prayer now babe  
Say you love me too  
Answer it right now babe  
Answer my prayer**

## **How Deep Is Your Love**

**I know your eyes in the morning sun  
I feel you touch me in the pouring rain  
And the moment that you wander far from me  
I wanna feel you in my arms again**

**And you come to me on a summer breeze  
Keep me warm in your love, then you softly leave  
And it's me you need to show  
How deep is your love**

**How deep is your love, how deep is your love  
I really mean to learn  
'Cause we're living in a world of fools  
Breaking us down when they all should let us be  
We belong to you and me**

**I believe in you  
You know the door to my very soul  
You're the light in my deepest, darkest hour  
You're my savior when I fall**

**And you may not think, I care for you  
When you know down inside that I really do  
And it's me you need to show  
How deep is your love**

**How deep is your love, how deep is your love  
I really mean to learn  
'Cause we're living in a world of fools  
Breaking us down when they all should let us be  
We belong to you and me**

**And you come to me on a summer breeze  
Keep me warm in your love, then you softly leave  
And it's me you need to show  
How deep is your love**

**How deep is your love, how deep is your love  
I really mean to learn  
'Cause we're living in a world of fools**

**Breaking us down when they all should let us be  
We belong to you and me**

**How deep is your love, how deep is your love  
I really mean to learn  
'Cause we're living in a world of fools  
Breaking us down when they all should let us be  
We belong to you and me**

**How deep is your love, how deep is your love  
I really mean to learn  
'Cause we're living in a world of fools  
Breaking us down when they all should let us be  
We belong to you and me**

## **Beautiful Stranger**

**Haven't we met?  
You're some kind of beautiful stranger  
You could be good for me  
I have a taste for danger**

**If I'm smart then I'll run away  
But I'm not so I guess I'll stay  
Heaven forbid  
I take my chance on a beautiful stranger**

**I looked into your eyes  
And my world came tumblin' down  
You're the devil in disguise  
That's why I'm singin' this song**

**To know you is to love you  
You're everywhere I go  
And everybody knows  
To love you is to be part of you  
I pay for you with tears  
And swallow all my pride**

**Ta-da-da-da, da-da, da-da, da-da-da-da-da  
Beautiful stranger  
Ta-da-da-da, da-da, da-da, da-da-da-da-da  
Beautiful stranger**

**If I'm smart then I'll run away  
But I'm not, so I guess I'll stay  
Haven't you heard?  
I fell in love with a beautiful stranger**

**I looked into your face  
My heart was dancin' all over the place  
I liked to change my point of view  
If I could just forget about you**

**To know you is to love you  
You're everywhere I go  
And everybody knows**

**I looked into your eyes  
And my world came tumblin' down**

**You're the devil in disguise  
That's why I'm singin' this song to you**

**To know you is to love you  
You're everywhere I go  
And everybody knows  
I pay for you with tears  
And swallow all my pride**

**Ta-da-da-da, da-da, da-da, da-da-da-da-da  
Beautiful stranger  
Ta-da-da-da, da-da, da-da, da-da-da-da-da  
Beautiful stranger**

## Maggie May

Wake up, Maggie, I think I got somethin' to say to you  
It's late September and I really should be back at school  
I know I keep you amused, but I feel I'm being used  
Oh, Maggie, I couldn't have tried any more

You led me away from home  
Just to save you from being alone  
You stole my heart and that's what really hurts

The mornin' sun when it's in your face really shows your age  
But that don't worry me none, in my eyes, you're everything  
I laughed at all of your jokes, my love, you didn't need to coax  
Oh, Maggie, I couldn't have tried any more

You led me away from home  
Just to save you from being alone  
You stole my soul, and that's a pain I can do without

All I needed was a friend to lend a guiding hand  
But you turned into a lover, and mother, what a lover, you wore me out  
All you did was wreck my bed, and in the morning, kick me in the head  
Oh, Maggie, I couldn't have tried any more

You led me away from home  
'Cause you didn't wanna be alone  
You stole my heart, I couldn't leave you if I tried

I suppose I could collect my books and get on back to school  
Or steal my daddy's cue and make a living out of playin' pool  
Or find myself a rock and roll band that needs a helpin' hand  
Oh, Maggie, I wished I'd never seen your face

You made a first-class fool out of me  
But I'm as blind as a fool can be  
You stole my heart, but I love you anyway

Maggie, I wished I'd never seen your face  
I'll get on back home one of these days  
Ooh, ooh, ooh

**It Must Have Been Love**

**It must have been love  
But it's over now  
Lay a whisper  
On my pillow  
Leave the winter  
On the ground  
I wake up lonely  
There's air of silence  
In the bedroom  
And all around  
Touch me now  
I close my eyes  
And dream away**

**It must have been love  
But it's over now  
It must have been good  
But I lost it somehow**

**It must have been love  
But it's over now  
From the moment we touched  
Till the time had run out**

**Make believing  
We're together  
That I'm sheltered  
By your heart  
But in and outside  
I turned to water  
Like a teardrop  
In your palm**

**And it's a hard  
Winter's day  
I dream away**

**It must have been love  
But it's over now  
It was all that I wanted  
Now, I'm living without  
It must have been love**

**But it's over now  
It's where the water flows  
It's where the wind blows  
It must have been love  
But it's over now  
It must have been good  
But I lost it somehow  
It must have been love  
But it's over now  
From the moment we touched  
Till the time had run out  
Yeah, it must have been love  
But it's over now  
It was all that I wanted  
Now, I'm living without  
It must have been love  
But it's over now  
It's where the water flows  
It's where the wind blows  
It must have been love  
But it's over now  
It must have been love  
But it's over now**

## **If You Don't Know Me By Now**

**Sing the song, everybody  
C'mon**

**If you don't know me by now (wunderbar)  
You will never, never, never know me  
Oooh**

**Now all the things  
That we've been through  
You should understand me  
Like I understand you**

**Now girl I know the difference  
Between right and wrong  
I ain't gonna do nothing  
To upset our happy home**

**Don't get so excited  
When I come home  
A little late at night  
You know we only act like children  
When we argue fuss and fight**

**If you don't know me, baby  
(You will never never never know me)  
No, you won't (oooh)  
Oooh, yeah, c'mon**

**Oh, if you don't know me, girl  
(You will never never never know me)  
You... (Uuuh)**

**We've all got  
Our own funny moods  
I've got mine  
I bet you woman you've got yours too  
You better trust in me like I trust in you  
As long as we've been together  
It should be so easy to do  
Just get yourself together  
Or we might as well say goodbye**

**What good is a love affair  
When you can't see eye to eye**

**If you don't know me, baby  
(You will never never never know me)**

**No, you won't (Oooh)  
No, you won't, no, you won't, no, you won't**

**Twenty long years we've been together  
(You will never never never know me)  
(Ooohh) ooh ooh-oooh oh**

**Well...  
Oooh (You will never never never know me)  
No, you won't (oooh)**

True

Huh huh huh hu-uh huh  
Huh huh huh hu-uh huh

So true, funny how it seems  
Always in time, but never in line for dreams  
Head over heels when toe to toe  
This is the sound of my soul  
This is the sound  
I bought a ticket to the world  
But now I've come back again  
Why do I find it hard to write the next line?  
Oh I want the truth to be said

Huh huh huh hu-uh huh  
I know this much is true  
Huh huh huh hu-uh huh  
I know this much is true

With a thrill in my head and a pill on my tongue  
Dissolve the nerves that have just begun  
Listening to Marvin (all night long)  
This is the sound of my soul  
This is the sound  
Always slipping from my hands  
Sand's a time of its own  
Take your seaside arms and write the next line  
Oh I want the truth to be known

Huh huh huh hu-uh huh  
I know this much is true  
Huh huh huh hu-uh huh  
I know this much is true

I bought a ticket to the world  
But now I've come back again  
Why do I find it hard to write the next line?  
Oh I want the truth to be said

Huh huh huh hu-uh huh  
I know this much is true  
Huh huh huh hu-uh huh  
I know this much is true

**This much is true**  
**This much is true**  
**This much is true**  
**I know, I know, I know this much is true**  
**This much is true**  
**This much is true (huh huh)**  
**This much is true**  
**This much is true**  
**I know this much is true**  
**This much is true (huh huh)**  
**This much is true (I know this much is true)**  
**This much is true (huh huh)**  
**This much is true (I know this much is true)**  
**I know, I know, I know this much is true**

**Nobody Does It Better**

**Nobody does it better  
Makes me feel sad for the rest  
Nobody does it half as good as you  
Baby, you're the best**

**I wasn't lookin' but somehow you found me  
It tried to hide from your love light  
But like heaven above me  
The spy who loved me  
Is keepin' all my secrets safe tonight**

**And nobody does it better  
Though sometimes I wish someone could  
Nobody does it quite the way you do  
Why'd you have to be so good?**

**The way that you hold me  
Whenever you hold me  
There's some kind of magic inside you  
That keeps me from runnin'  
But just keep it comin'  
How'd you learn to do the things you do?**

**Oh, and nobody does it better  
Makes me feel sad for the rest  
Nobody does it half as good as you  
Baby, baby, darlin', you're the best**

**Baby you're the best  
Darlin', you're the best  
Baby you're the best**

**Oh, oh, oh...**

## **Don't Look Back In Anger**

**Slip inside the eye of your mind  
Don't you know you might find  
A better place to play  
You said that you'd never been  
But all the things that you've seen  
Slowly fade away**

**So I start a revolution from my bed  
'Cause you said the brains I had went to my head  
Step outside, summertime's in bloom  
Stand up beside the fireplace  
Take that look from off your face  
You ain't ever gonna burn my heart out**

**And so Sally can wait  
She knows it's too late  
As we're walking on by  
Her soul slides away  
But don't look back in anger  
I heard you say**

**Take me to the place where you go  
Where nobody knows  
If it's night or day  
But please don't put your life in the hands  
Of a rock and roll band  
Who'll throw it all away**

**I'm gonna start a revolution from my bed  
'Cause you said the brains I had went to my head  
Step outside 'cause summertime's in bloom  
Stand up beside the fireplace  
Take that look from off your face  
'Cause you ain't ever gonna burn my heart out**

**And so Sally can wait  
She knows it's too late  
As she's walking on by  
My soul slides away  
But don't look back in anger  
I heard you say**

**So Sally can wait  
She knows it's too late  
As we're walking on by  
Her soul slides away  
But don't look back in anger  
I heard you say**

**So Sally can wait  
She knows it's too late  
As she's walking on by  
My soul slides away  
But don't look back in anger  
Don't look back in anger  
I heard you say  
At least not today**

## Little Bird

I look up to the little bird  
That glides across the sky  
He sings the clearest melody  
It makes me want to cry  
It makes me want to sit right down  
And cry, cry, cry, yeah

I walk along the city streets  
So dark with rage and fear  
And I, I wish that I could be that bird  
And fly away from here  
I wish I had the wings to fly away from here, yeah

But mamma, I feel so low  
Mamma, where do I go?  
Mamma, what do I know?  
Mamma, we reap what we sow  
They always said that you knew best  
But this little bird's fallen out of that nest now  
I've got a feeling that it might have been blessed  
So I've just got to put these wings to test

For I am just a troubled soul  
Who's weighted  
Weighted to the ground  
Give me the strength to carry on  
Till I can lay my burden down  
Give me the strength to lay this burden down, down, down, yeah  
Give me the strength to lay it down  
Lay it down, lay it down

But mamma, I feel so low  
Mamma, where do I go?  
Mamma, what do I know?  
Mamma, we reap what we sow  
They always said that you knew best  
But this little bird's fallen out of that nest now  
I've got a feeling that it might have been blessed  
So I've just got to put these wings to test

I feel so low  
Mamma, where do I go?

**Mamma, what do I know?  
Mamma, we reap what we sow  
Put you one more time**

## I Only Want To Be With You

I don't know what it is that makes me love you so  
I only know I never want to let you go  
'Cause you started something, oh, can't you see?  
That ever since we met you've had a hold on me  
It happens to be true, I only want to be with you

It doesn't matter where you go or what you do  
I want to spend each moment of the day with you  
Well, look what has happened with just one kiss  
I never knew that I could be in love like this  
It's crazy but it's true, I only want to be with you

You stopped and smiled at me  
Asked if I'd care to dance  
I fell into your open arms  
And I didn't stand a chance

Now, listen, honey, I just want to be beside you everywhere  
As long as we're together, honey, I don't care  
'Cause you started something, oh, can't you see?  
That ever since we met you've had a hold on me  
No matter what you do, I only want to be with you

Oh, you stopped and you smiled at me  
Asked if I'd care to dance  
I fell into your open arms  
I didn't stand a chance

Now hear me darling, I just want to be beside you everywhere  
As long as we're together, honey, I don't care  
'Cause you started something, oh, can't you see?  
That ever since we met you've had a hold on me  
No matter what you do, I only want to be with you

I said, no matter, no matter what you do  
I only want to be with you
